

# CHOCOLATE

Come on all you **CHOCOHOLICS**, this fund raiser is for you

The Club has undertaken a Cadbury's Chocolate Drive as a fund raising activity

The way it will work is there will be two pick-up points, one on the gold coast and one in Brisbane.

Members are requested to have a look at the Order Form attached and once you have decided on how many boxes you require, advise Tracey or Anne-Marie (depending on where you live) of what you will order and when you would like to pick them up. If possible we would prefer if the Member picking up the stock pre pay for it, as this will make the money collection a lot simpler in the long run. If this is not possible then payment will have to be made within 28 days from collection into the Boat Club account or by cheque made out to Boat Club.
