Commodore's Report

Hello all members.

Well a new club year is underway.

Firstly, I must thank all the members of the previous committee who did a great job last year. Some people held positions for a number of years and we appreciate your commitment and past efforts. It was a pleasure to work with you all.

Thank you to everybody who has taken up positions on the New Management Committee. The majority of the group is new (Green) to their positions but I am sure they will do a good job and bring new ideas and experience to the group.

It is great to see relatively new members prepared to be involved in the running of the club together with the support of a couple of more experienced members. I am looking forward to working with them all.

A new calendar will be published very soon showing all the events for the coming club year. I encourage you all to get involved in as many functions as possible.

| MON | TUE | WED | THU | FRI | SAT | SUN |
